On February 5, 2018, Norrep Capital Management Ltd. (the "Manager") announced the proposed merger of the respective businesses of: (i) the Manager and its related entities (collectively, "NCM"); (ii) Cumberland Private Wealth Management Inc., Cumberland Associates Investment Counsel Inc., and their related entities (collectively, "Cumberland"); and (iii) Perron & Partners Wealth Management Corp., Perron Asset Management Inc., and their related entities (collectively, "PPWM"). The proposed transaction will result in an indirect change of control of the Manager. Following closing of the proposed transaction, the current ultimate shareholders of each of NCM, Cumberland, and PPWM will own all of the outstanding shares of the parent company of the three businesses, of which the Manager will be an indirect wholly-owned subsidiary. The proposed transaction is subject to receipt of all required regulatory approvals and other customary closing conditions and is scheduled to close on or about March 29, 2018.

<p>How risky is it?</p> <p>The value of the Fund can go down as well as up. You could lose money.</p> <p>One way to gauge risk is to look at how much a fund’s returns change over time. This is called “volatility.”</p> <p>In general, funds with higher volatility will have returns that change more over time. They typically have a greater chance of losing money and may have a greater chance of higher returns. Funds with lower volatility tend to have returns that change less over time. They typically have lower returns and may have a lower chance of losing money.</p>	<p>Risk rating</p> <p>Norrep Capital Management Ltd. has rated the volatility of this Fund as low to medium.</p> <p>Because this is a new fund, the risk rating is only an estimate by Norrep Capital Management Ltd. Generally, the rating is based on how much the Fund’s returns have changed from year to year. It doesn’t tell you how volatile the Fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.</p> <div style="text-align: center; border: 1px solid black; margin: 10px 0;"> <table style="display: inline-table; border-collapse: collapse;"> <tr> <td style="padding: 5px 10px;">Low</td> <td style="background-color: #003366; color: white; padding: 5px 10px;">Low to Medium</td> <td style="padding: 5px 10px;">Medium</td> <td style="padding: 5px 10px;">Medium to High</td> <td style="padding: 5px 10px;">High</td> </tr> </table> </div> <p>For more information about the risk rating and specific risks that can affect the Fund’s returns, see "What are the Risks of Investing in the Fund?" section of the Fund’s simplified prospectus.</p>	Low	Low to Medium	Medium	Medium to High	High

<p>Who is this Fund for?</p> <p>This Fund is suitable for investors who:</p> <ul style="list-style-type: none"> Have low to moderate income requirements, longer investment time horizons, and a tolerance for moderate fluctuations in the value of your investments. Are willing to hold exposure to the defense industry that may be above the overall markets exposure to this industry. Are comfortable with low to medium investment risk (i.e. are willing to accept some fluctuation in the market value of your investment) 	<p>A word about tax</p> <p>In general, you’ll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live and whether or not you hold the fund in a registered plan such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.</p> <p>Keep in mind that if you hold your fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.</p>

How much does it cost?

The following tables show the fees and expenses you could pay to buy, own and sell Series F units of the Fund. The fees and expenses – including any commissions – can vary among series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other funds and investments that may be suitable for you at a lower cost.

1. Sales charges

No sales charges or commissions are applicable to this series of the Fund.

2. Fund expenses

You don't pay these expenses directly. They affect you because they reduce the Fund's returns. As of October 31, 2017, the Fund's expenses were 2.13% of its value. This equals \$21.30 for every \$1,000 invested.

	Annual Rate (as a % of the Fund's value)
Management Expense Ratio (MER) This is the total of the Fund's management fee, operating expenses and performance fee as of October 31, 2017 annualized for the fiscal period.	1.63%
Trading Expense Ratio (TER) These are the Fund's trading costs.	0.50%
Fund Expenses	2.13%

*Norrep Capital Management Ltd. waived some of the Fund's expenses. If it had not done so, the MER would have been higher.

More about the trailing commission

No trailing commission is paid in respect of this series of the Fund.

3. Other fees

You may have to pay other fees when you buy, hold, sell or switch units of the Fund.

Fee	What you pay
Short-term redemption fee	2% of the cost of the units you redeem within 90 days of the original date of purchase. This fee is charged by the Manager.
Switch fee	Your representative's firm may charge you a fee if you switch to another series of the Fund.
Fee-for-service program	Series F units are intended for investors who are participants in a fee-for-service or wrap account program sponsored by certain securities dealers. You pay a fee to your representative's firm to participate in such a program.
