Except where indicated otherwise, F Series data as of September 30, 2018, net of fees, annualized. NCM Market Neutral Income Fund is available for sale to Accredited Investors, BC residents by Offering Memorandum or with a minimum purchase of \$150,000 by a non-individual, and is subject to resale restrictions under applicable securities laws. The fund is not guaranteed, unit values changes frequently and past performance may not be repeated. Commissions, trailing commissions, management fees and expenses all may be associated with this investment. Indicated rates of return are the historical annual compound total returns including changes in unit value and reinvestment of all dividends and distributions and do not take into account sales, redemption, distribution or optional charges or income tax payable by any security holder, if any, that would have reduced returns. The rate of return is used to illustrate the effects of the compound growth rate and is not intended to reflect future sales of the fund or returns on investment in the fund.
