Distribution (Series M)	Annual \$0.4500 Paid Monthly*

PORTFOLIO RISK

LOW	MED	HIGH

Risk level is determined using the CSA risk classification methodology based on the Fund's ten-year standard deviation. If a Fund does not have ten years of performance history, the risk level is calculated using the Fund's actual return history and the return history of its benchmark (which is expected to reasonably approximate the Fund's standard deviation) for the remainder of the ten year period.

Except where indicated otherwise, M Series data as of October 31, 2025, net of fees, annualized. For information purposes only. The cumulative return shown is used only to illustrate the effects of the compound growth rate and is not intended to reflect future values of the investment fund or returns on investment in the investment fund. The Kipling Funds are only available for sale to investors who meet the definition of "accredited investor" as set forth in National Instrument 45-106 Prospectus and Registration Exemptions, or non-individuals who will be investing a minimum of \$150,000. Please consult your advisor to determine your qualification status. Investors should take note that certain statements in this report about a fund or strategy, including expected future performance, are forward-looking. Statements that look forward in time or include anything other than historical information are subject to risks and uncertainties, and actual results, actions or events could differ materially from those set forth in the forward-looking statements. Although the forward-looking statements contained herein are based upon what the portfolio manager believes are reasonable assumptions, the portfolio manager cannot assure that actual results will be consistent with these forward-looking statements. Due to ongoing portfolio transactions, the positions discussed in this communication may no longer be held in the Fund. The information contained herein is based on sources that we believe to be reliable, but may change without notice. The comments included in this document are general in nature, and professional legal, accounting, tax and investment advice regarding an individual's particular investment needs and circumstances should be obtained. This presentation does not constitute an offer to sell or solicitation of an offer to buy a security in any jurisdiction. Past performance is not indicative of future results. NCM Asset Management Ltd. as manager and portfolio manager of the Kipling Funds may engage one or more sub advisors to provide investment management services to certain Funds, including its affiliate, Cumberland Investment Counsel Inc.

Except where indicated otherwise, M Series data as of October 31, 2025, net of fees, annualized. Benchmark: 50% Morningstar Canada Core Bond GR CAD/50% Morningstar Canada 1-5 Yr Core Bond GR CAD (100% Long). The benchmark represents the primary investment universe of the Fund, but may have a longer duration relative to the Fund's bond allocation which has a short duration bias. The Fund may also invest, to a lesser extent, in money market bonds or equivalents, high yield bonds, convertible bonds and preferred shares which are not represented in the benchmark.
